

Ayer's Sarsaparilla is a pretty good traveling companion. Better take a bottle with you when you go away from home. It may save you a long illness. And if you are not going away, keep it with you, always, in the house.

AYER'S Sarsaparilla

is the best family medicine you can have. A thorough course of treatment with it makes good red blood, brings the old color back to the lips, fills out the cheeks, and gives the glow of perfect health.

Perhaps you suffer from the enfeebling effect of a prolonged spell of warm weather. If so, Ayer's Sarsaparilla will vitalize your blood and give you renewed force, vim, and energy.

As now made, Ayer's Sarsaparilla contains no alcohol.

There are many imitations Sarsaparillas.

Be sure you get "AYER'S."

GAMES YESTERDAY

AALA PART FURNISHES ONE OF THE WARMEST CONTESTS OF THE SEASON.

The baseball game yesterday afternoon between the Chinese A. C. and the Palama A. C. at Aala Park was the wildest game in point of enthusiasm and attendance that has ever been seen here in the islands. Over seven thousand people were present to see the game, and not until the end of the game had the game off did the enthusiasm abate for one moment. The players on both teams seemed to play as if their lives depended on the result and it will be many a day before Honolulu will see such a game again.

Paaluh and Lo pitched the best games of their lives, and both pitchers received the best support that they have ever had from their team mates. The ball started to roll in favor of the Chinese players in the second inning when Bu sent a ball out to the river, and was brought home on Kaopua's throw to first of Ayar's hot grounder. The yell and cheer of the followers of the Chinese players could be heard all over the Riverside section, and each time a good play was made by any of the C. A. C. players the cheering broke out with renewed vigor.

The following is the line-up and score by innings:

A large number of people were present yesterday morning at the baseball games in the Atkinson League at Kakaako. The first game between the Ocean Views and the Pearl Handles resulted in an easy victory for the guardians of the law by the large score of 19 to 9. Medeiros, who was in the box for the Pearl Handles, pitched one of the best games of his career and the Ocean View players were unable to connect at all with his curves. MUST THE YACHT BE GIVEN UP?

COMMITTEE ON HAWAII RACER FINDING IT HARD TO COMPLETE THE SUBSCRIPTION.

The fund for the new trans-Pacific yacht that will represent Hawaii in the coming ocean race next year still lacks \$1500 of the amount necessary, and the committee who have the matter in charge are very anxious to have the whole amount by the first so that work can start when the plans arrive on the Manchuria. It would be a great disappointment to the committee as well as the public if the cup defender would have to be given up, but it will be unless the money is in before the first of November.

Some people who have received large amounts from the public in many ways have refused to help the fund along by giving one cent towards the fund, and if the majority of business houses refused the same way as some have done, the yacht would never be built. The yacht will do a great deal towards helping Hawaii, and it will make Honolulu a yachting community that will be respected by every one. If the members of the New York Yacht Club refused to give towards the America cup fund, the races that have been held in the past would have been impossible.

The race next year will be one of the biggest trans-Pacific events that has ever been attempted, and the news will be constantly before the rest of the world. The citizens of Hawaii who have given should feel proud to think that they have done something for the yacht, and those who have refused should reconsider their decision and send for the committee and give them something for the new racer.

The number of yachts that will enter the race from the different clubs on the coast will put money in the business community here and each business man should be willing to give something to the fund. The donation that Sorenson and Lyle have given to the fund, the building of the yacht without any fee, is one that has caused no end of favorable comment.

SPORT NOTES

The following matches were played Saturday afternoon in the Y. M. C. A. tennis tournament at their courts on Richard street: Dick Cooke won from C. E. Edmunds by default. E. B. Blanchard and Cliff Livingston by their non-appearance are out of the playing for good. The following match will be played this afternoon: F. S. Warren and I. H. Bandle. The match tomorrow will be between R. Vanhulzen and Chester Livingston.

The game of baseball played last Saturday between teams from H. Hackfeld & Co. and Theo. H. Davies & Co. was won by the latter. The game was well contested throughout the nine innings. The coaching on both sides was an interesting feature of the game. Paul Burns, the pitcher for the Davies team, did splendid work in the box, and had the Hackfelds guessing most of the time. The score was 3 to 2.
